PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 236A to El
Indio, Texas as that community's first local FM service.
El Indio, Texas is a Census Designated Place (CDC) with a
population of 263 people.¹ El Indio has its own post
office, its own zip code, a community center and a number
of businesses. The water for El Indio is provided by the
El Indio Water Supply Corporation. El Indio has a number
of local churches including the Latin Assembly of God
Church, Reverend Arturo Reyes, the Jehovah Witnesses and

¹ Source, Texas Almanac 2002/2003

the Seventh-Day Adventist Iglesia Adventista del Septimo Dia, Pastor Jacinto Flores. According to the 2000 Census demographic characteristics for El Indio, 97% of the population is Hispanic. El Indio is a community that is certainly deserving of local FM service. The proposed channel 236A will provide additional diversity and an outlet for local self-expression to El Indio residents and therefore is in the public interest.

Should this petition be granted and Channel 236A be allotted to El Indio, Texas, Petitioner will apply for Channel 236A at El Indio and after it is authorized, will promptly construct the new facility.

The factual information provided in this Comments is correct and true to the best of my knowledge.

Respectfully submitted,
